Hi Brad,

Apologies for the confusion, our system wasn't yet setup to be able to monitor two cold wallets per clients and we were still monitoring the other cold wallet we setup for you. We have deployed a fix to be able to monitor the two cold wallets and we will send you a corrected Daily Sales email shortly. We confirm that there has been no incidence on sales and have continued to sell on target.

Again sorry for the confusion.

Kind regards,
[REDACTED]
